

# Intensive therapies

Intensive therapy offers several hours of therapy per day, multiple days per week, for multiple weeks. Intensive therapy may accelerate improvements in your child's functional skills and motor development in a short time period, resulting in long lasting results.

This list is provided for your convenience and is not an exhaustive list and Cook Children's doesn't endorse any specific provider. Please contact your insurance to determine whether a specific provider is covered by your plan. If you have questions or concerns, please call your health care provider.
